Did You Know?

Many ads that children see are for foods that are high in sugar, salt, fat. These ads are highly appealing to children.

Children are more likely to snack on foods that are high in sugar, salt or saturated fat when they are watching TV.

Screen time impacts on children's sleep habits, even from a young age. Children who use screen time more are most likely to have difficulty sleeping.

For more information on screen time, go to www.healthpromotion.com.au

Ingredients

2 cups self-raising flour
1½ cups lightly packed grated zucchini
1½ cups lightly packed grated carrot
½ cup grated reduced fat tasty cheese

¼ cup olive oil
125g can creamed corn
¾ cup reduced fat milk
1 large egg
Canola oil spray

Method

1. Preheat oven to 190°C (170°C fan-forced). Sift flour into a large bowl, stir in zucchini, carrot and cheese.
2. Whisk together oil, creamed corn, milk and egg. Add to flour mixture and stir until ingredients are just combined.
3. Lightly grease a 12 x ⅓ cup capacity non-stick muffin pan with cooking spray. Bake in oven for 25-30 minutes or until muffins are light golden and just firm to touch.
