Week 4 Term 2 Tuesday May 11, 2021

Dear Parents and Caregivers,

Welcome to Week 4!

Last Sunday was Mother's day and despite the current COVID restrictions I hope you were able to enjoy and acknowledge the mothers in your family and those who take on the mothering role.

Thank you to the P&F for organising the Mother's Day stall. What an amazing array of gifts the children had to choose from! I know there would have been many lucky mums, step mums,

grandmothers and aunts receiving presents chosen with much care and excitement on Sunday morning. Thank you to those parents that were able to assist on the day. As they always say, many hands make light work. In last week's Sunday readings the theme was about Love. Jesus calls us to love one another but this is a love of action and service. In many ways the love of a mother is a love of action. They call us to be the best we can be, model how we should treat others and hold us to high expectations. We are blessed to have people who mother us in our lives and hearts!

Kindergarten 2021 / 2022

This term we have been very busy welcoming new families for enrollment into Kindergarten in 2022. It seems like only yesterday that we welcomed our present kindergarten children to school. It is delightful to see how independent they are becoming. Saying goodbye to mum or dad at the gate, carrying their own bags and walking in with friends ready to start the day. Thank you for your support of this step to independence at school. If you know of anyone who has a child ready to

start school please remind them that we are taking enrollments now and would welcome their application.

Wishing you a wonderful fortnight ahead

Mrs Melissa Beggs

ABSENCES ADD UP!

Attendance at St Monica's

At St Monica's we believe it is important for students to attend each day so they can maximise their learning opportunities. We have had an improvement in our attendance rates over the last fortnight and a reduction in the number of unexplained absences which is fantastic.

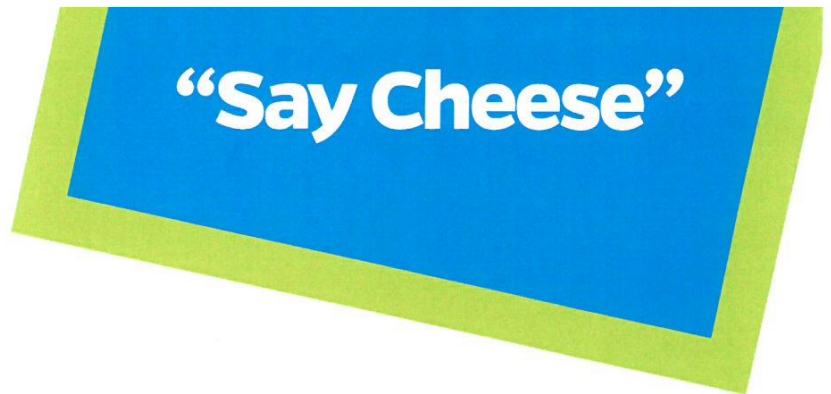

Our younger stages are leading the way with Kindergarten's attendance rate at a high of 93.8%

We look forward to seeing each and every child here at school every day!

School Photos Friday 14th May

Our school photos are this Friday 14th May.

Children are asked to come on that day in their full winter school uniform. Photo forms have been given to children. Please see the office if your child does not have one.

School Catch Up Date

Dear Parents/Caregivers,

School photographs will be taken at school on the 14th May 2021

Order forms for individual student photographs accompany this note or will arrive shortly.

Individual Portraits - Prior to filling out your order check that your child's name is spelt correctly on the Order form, please make any necessary changes. Please complete the order online and students may then return the Order forms on the day of photography. If you misplace your order form please contact MSP Photography for your child's shoot key.

Family Photos - Should you wish to have a family photograph taken, please fill out the family section at the bottom of your ELDEST child's Order form. These photos are for school aged students attending the school and no family photo will be taken unless an order form has been received on photo day. Please ensure your children present to the portrait location to have their photo taken.

Split Families - you can use the same shoot key provided on the order form to order for your child. Any students with multiple orders processed will have their photographs sent in separate satchels to the school. There is a section on the order form for you to tick "Split Family" so we can place a "Mums Order" or "Dads Order" sticker on the satchel. NUMERACY AT ST MONICA'S

'MULTIPLICATION MATTERS' IN STAGE 2!

Stage 2 students are learning to apply a range of multiplication and division strategies to open and challenging problems. In our Numeracy Warm-up time we are using exciting number games to develop our recall of multiplication facts with speed and accuracy. These number games include Bump!, Headache, Dominoes, Partner Roll and Compare along with skip counting by fours, sixes, sevens, eights and nines from any given number.

Our learning activities have included opportunities for:

- making arrays with counters to solve problems
- seeing the relationship between multiplication and division, e.g. $6 \times 4 = 24$ so $24 \div 6 = 4$
- using factors to solve problems
- recalling and applying multiplication facts up to 10×10 , including zero facts
- completing multi digit multiplication problems using the area model

Why not challenge us to a multiplication game if you dare!

Building Child Safe Communities - Volunteer Undertaking

Dear Parents/Carers,

As we start to allow more parental involvement within our school community it is a timely reminder that all parents need to complete the Building Child Safe Communities form and online training module.

In Catholic Education Diocese Parramatta (CEDP), we see parents and carers as partners in your child's learning journey. Parents and carers are encouraged to become involved in our schools in many important ways such as supporting classroom learning, being part of advisory groups, mentoring programs, coaching sporting teams and supporting other extra-curricular activities, canteen support and other kinds of help.

A range of checks and undertakings are required for people who work for or provide services to CEDP. These checks reduce potential risk and form part of our strategy to build child safe communities. The purpose of this training is to inform you of the standards of behaviour and other requirements that must be adhered to when volunteering for CEDP.

The undertaking should take no more than 5 minutes to complete and the training module approximately 10 minutes. Once the form and training modules are submitted, an automated email will be sent to you within two business days to confirm the status of your submission.

The undertaking form will expire within two years. At that time you will need to complete the undertaking form and training module again. You will receive an automatic reminder email when this occurs.

Further information on the online form and training module can be found on our school website under Enrol now and clicking on parental involvement. <https://www.stmonicasrichmond.catholic.edu.au/Enrol-Now/Parental-Involvement>

Within the form you will also find help sheets and a video tutorial to assist you. Thank you in advance for your support.

Students from our school in Stage 3 will soon be undertaking, an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$30 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Writing in Stage 2 at St Monica's.

Last week I was treated to an amazing story written by Lily C in Stage 2.

Below is an excerpt from the story. As you read the story, like myself, you will be swept up in the adventure and suspense. Enjoy the beginning and like all good dramas we will leave you with a cliffhanger. Stay tuned for further details about "the wolf pack".

Mrs Melissa Beggs
(avid reader!)

Wolf Pack

The wolf pack moved slowly. They had just finished their meal. The leaves on the trees swayed in the soft wind.

The two largest wolves, Dusk and Fern, led the pack through the night. Their fur shimmered in the moonlight. Their pup, Rage, padded along with her cousins, Shadow and Ronin.

But, among the pack, there was jealousy.

Jealousy coming from Joffa. He was a brother to Dusk, a father to Shadow and Ronin, and a husband to Tara. He looked completely innocent from the outside, but on the inside, his heart was as frozen as a river in the winter.

At early dawn, the pack stopped to sleep. The night was done. Every wolf slept, all except Joffa, who was staring at Dusk with monstrous eyes. His revenge had begun...

Michaela Mason's Big List of 22 Worries Book Review

I give this book 5 out of 5 stars because I relate to Michaela Mason. She is scared of dogs and I am scared of dogs (the big ones only). I like the book because at the end of the book Michaela faces her fears of dogs. At the start of the story Michaela had to move to another home and school. When it is her first day of school she meets a group of girls called The Pretty Posse. If Michaela wants to join The Pretty Posse she has to do one thing, throw flour on one of the teachers' cars.

What will Michaela do?

Borrow the book from the library and find out!

Representative Sport news

Congratulations on a terrific effort!

Congratulations to all the children who participated in the Cross Country. The children received certificates for participation at the Diocesan Cross Country and certificates for place results at our school cross country.

Maximo Larrea-Punzo was badged Green House Sports Captain this week. Congratulations Max.
