MAI - MATHEMATICAL ASSESSMENT INTERVIEW 2022

At the beginning of 2022 our teachers will once again conduct the Mathematical Assessment Interviews with all students from Kindergarten to Stage 3.

This interview is an opportunity for teachers to get to know your child and their mathematical understanding. The interview will take approximately 30 minutes to complete.

The MAI interviews will take place on:

- Friday 28th January - Kindergarten to Stage 3
- Monday 31st January - Kindergarten to Stage 3
- Tuesday 1st February - Kindergarten children only

Please note that all interviews will be held in the 2022 classrooms.

If your child is unable to be tested at a suitable time for you with their stage teacher Mrs Ryan, Mrs Colburt or the Assistant Principal Mrs Bond will also be available for interview bookings.

Any child who is not assessed at one of these opportunities will be assessed as soon as possible in the first weeks of school.

You can access School Interviews by logging onto <https://www.schoolinterviews.com.au/> and entering the event code to make your booking. **EVENT CODE: n3bgj**
